**Value-based Extra-curricular activity focuses** on values like truthfulness, non-Possessiveness, non-stealing, non-violence, self-control and responsibility towards society and environment.

## ➤ WELL-BEING

### **Empowering Through Embrassing**

A holistic approach is taken by the Institution to promote academic and professional success maintaining physical and mental well-being, fostering long-term success and life satisfaction.

## ➤ ECO-DIGITAL PLATFORM

### **Eco – friendly platform**

Environmental friendly practices and education combined to promote sustainable and eco-friendly practices in the campus. Eco-friendly campus concept offers the opportunity of learning in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

### **Digital platform**

- Creates a more engaging environment
- Improves knowledge retention
- Easy access to information
- Prepares students for the future
- Creates learning opportunities for educators

### **The Practice.**

- Institutional Orientation classes and FDP programmes for faculties thus promoting Value education, E-teaching tools & innovative add-on courses.
- Parental and students counseling with the support of experts.
- Application of innovative student centered technological pedagogy.
- Conduct of student centered and community centered programmes.

## Evidence of Success

- Faculties are updated with latest E-Teaching Tools
- Students are updated with latest E-Learning Tools
- Through Orientation and FDP, Faculties are motivated to achieve teaching competency in value education
- Followed environmental protective practices in campus

## Problems Encountered and Resources Required

As it is a long run implementation, updations are required as per demands, so a continuous measuring system is to be adopted. IQAC takes initiatives on implementing required changes, observing the feedback analysis of stake holders.
