PROGRAMME OUTCOME

NAME OF THE TOPIC: WORLD ENVIRONMENT DAY

DATE AND TIME: 05/06/2023

VENUE:V V COLLEGE OF SCIENCE AND TECHNOLOGY

The environment around us is not only our home but everything that keeps us alive. From the food we eat, the water we drink, the air we breathe, our shelter, and more, it helps us to survive. Therefore, caring for the environment is something that should be inherent in us. We educate our student to care about our mother nature and also teach them to nourish the nature to cherish the future
