Ph: 9497421532 | vvcollege02@gmail.com | www.vvcollege.co.in.

Accredited by NAAC with B+ Grade (First Cycle) | Approved by AICTE

Title of Best Practice

RIIC UNDER ED CLUB WITH IIC

(RIIC – RESEARCH INNOVATIVE AND INCUBATION CENTRE)

(IIC- INSTITUTION INNOVATIVE CELL)

Objectives of the Practice:

- To promote the culture of innovation and entrepreneurship
- To promote and support untapped creativity of individual innovators and to assist them to become technology-based entrepreneurs.
- To analyze and identify the challenges and opportunities of innovative world
- To Develop research skills among the faculty and students
- To create an Innovative Ecosystem encouraging students, faculty & staff to develop creative ideas, solutions contributing to societal progress.

The Context

This Centre is introduced for identifying the potential skills of students and also equips them to utilize their talent through implementing training programmes. Organic farming, Detergent making, Cloth bag making, Led light making, Fruit processing, Handi-crafts making etc. are some of the training programmes introduced in the College. It introduced Innovative Practices in learning process. The training and activities under this Centre motivates the students to realize the role of social responsibility of a youth to their society and it helps to build self confidence in them to meet the challenges of the changing world. This center also motivates the research talents of faculties.

The Practice

- Conducted field trips.
- Conducted Industrial Visits.
- Training programmes by Professional Experts.
- Conducted Exhibition for presenting the talents.
- Seminar and workshop conducted for updating skills.
- Placement cell and ED-Club jointly co-ordinated career guidance programs to explore talents.
- Developed Innovative project ideas.
- Conducted an Electronic Financial Literacy survey and prepared a report.
- Published an Annual Institutional journal in the name of V V .

ACADEMIC RESEARCH & PUBLICATION (VVARP)

EVIDENCE OF SUCCESS

- Students showed an attitude and confidence to start start-up projects
- Faculties are motivated to publish research article
- Availability of real time professional experience
- Identification of challenges of outside world
- Identification of essential skills required for the day to day life
- Promoting a culture of innovation that can lead to social & economic growth contributing to nation's development.

Problems encountered and Resources required.

One of the main problems encountered is funding for the Research projects and professional experts class. College stake holders jointly trying to avail funding schemes and still it is under process.
