**APPLIED MATHEMATICS & SCIENCE**  
A THREE DAY INTERNATIONAL WEBINAR  
ORGANIZED BY  
DEPARTMENT OF MATHEMATICS  
IN COORDINATION WITH IQAC

**ABOUT THE COLLEGE**  
The Vankava Vaisya College of Science and Technology, a self-financing institution managed by Vankava Vaisya Educational and Employment Trust, has the aim of providing better education that kindles the aspirations of the people and the main concern is on how to improve the quality of education. The college started in 2002 and is affiliated to the University of Calicut. The college is situated in Chullimada, Paddyway Grama Paschayath near Kanjikode. The surrounding abounds in scenic beauty and its serenity is remarkable for academic pursuits. The campus extends over 17 acres of land. The campus is only 17 km from Palakkad and easily accessible by road from Palakkad.

**ABOUT THE DEPARTMENT**  
The Department of Mathematics has started functioning in 2002, when Mathematics has been taught as a complementary course for B.Sc Computer Science and BCA, B.Sc Application and Statistics as complementary courses. The response to the course has been very positive and encouraging. The first batch passed out in March 2017 and we are proud of them that all have very good score for the complete semester. The department has qualified efficient faculty who are dedicated in providing quality education and also take keen interest for the overall development of the students. Seminars, awareness programmes and lectures by eminent persons are conducted by Math Club "Limit Breakers" to equip the students to meet academic and professional challenges.

**ABOUT THE WEBINAR**

"International Webinar on Applied Mathematics and Science" aims to gather scholars from all over the world to present advances in the relevant fields and to exchanging ideas and information related to. This webinar will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields.
